

## **EVENT SPONSORSHIP FORM**

One of the ways Kodiak has been able to keep their past conference fees at a low cost was through our partnership with local cannery's who graciously donate fish to serve at our events. We have received some feedback from other clubs who would like to see other meal options and even offered to help with funding.

We appreciate the feedback and want to be able to keep the cost low while offering other meal options so we decided to offer club sponsorship for the Icebreaker and Coffee Breaks.

Club sponsors will receive a BIG thank you in the conference booklet along with table sponsorship signs at their sponsored event. The club is also welcome to bring items or decoration to help market their club.

If your club would like to sponsor one of these areas please check the appropriate box and return it to the Kodiak Lions by mail or email at the following address:
